

Research, Publications and Presentations:

- Dissertation: “Use of Drains in Surgery” 1992: Poona University
- Paper: Surgery for Portal Hypertension”. ISGCON 1998.
- Article: “Surgery with adjuvant sclerotherapy” – a better modality of treatment for Portal hypertension. Indian Journal of Gastroenterology.
- Video: Lap Splenectomy for Trauma: Lapsurg 2002 Coimbatore.
- Video: World congress of Laparoscopic Surgery ELSA 2002 Tokyo, Japan.
- Video: Lap Splenectomy for Trauma SLS conference at Las Vegas, 2003.
- Video: Laparoscopic Management of Large Liver Cysts: World Congress of Lap. Surgery Hawaii 2004.
- Live Demonstration ‘laparoscopic Splenectomy’ and ‘Laparoscopic appendicectomy for appendicular lump’ AMIS 2004, Pune.
- Video Presentations in Masicon 2005:
 - ❖ Laparoscopic Roux–n –Y Gastric bypass for morbid obesity.
 - ❖ New technique for Laparoscopic management of bleeding duodenal ulcer.
 - ❖ Thoracoscopic thymectomy for myasthenia gravis, a new approach.
 - ❖ Laparoscopic Splenectomy for traumatically injured spleen. Is It feasible? Is it safe?
 - ❖ Laparoscopic management of pheochromocytoma with acute gangrenous appendicitis a rare case report.
 - ❖ Large non – parasitic – liver - cysts (NPCL) a new Laparoscopic approach: intra operative cystoscopy/cystojejunostomy to prevent postoperative bile leak.
- Video presentations at OSSICON (National congress of the Obesity Surgery Society of India) 2005:
 - Laparoscopic Roux–n-Y Gastric bypass for Morbid Obesity.
 - Gastric banding for Obesity

- Video presentation at AMASICON 2005 (Association of Minimal Surgeons of India, Conference):
 - Laparoscopic Splenectomy for traumatically injured spleen, is it feasible? Is it safe?
 - New technique for Laparoscopic management of bleeding duodenal ulcer.
 - Total Thoracoscopic Thymectomy for Myasthenia Gravis.
 - Total Thoracoscopic Thymectomy for Myasthenia Gravis.
 - Laparoscopic Roux–n–Y Gastric bypass for Morbid Obesity.
 - Thoracoscopic Thymectomy for Myaesthesia Gravis
- Video: SAGES 2005, Florida, USA-April 2005 Thoracoscopic Thymectomy for Myaesthesia gravis, which is accepted at the SAGES Video Library SAGES PEARLS. Attended by 2000+ members all over the world.
- Bariatric Surgery' in a CME conducted by Pravra Medical College, Maharashtra, India, June 2005.
- Live Demonstration; Lap. Gastric Banding: AMIS, Pune 2005: 1st International workshop on obesity surgery.
- Paper: Laparoscopic Devascularization for non-cirrhotic portal hypertension-ELSA 2005, Hongkong.
- Video 'Thracoscopic Thymectomy for Myaesthesia Gravis' at IAN (Indian Association of Neurology) conference Jaipur Nov, 2005.
- Lecture 'Laparoscopy - present and future' MASTACON 2005, Mahabaleshwar, India, Nov' 2005.
- ASICON 2005, Dec' 2005, Live demonstration of
 - 1) PHS repair of Hernia,
 - 2) Anti- Obesity Surgery in front of 5000 surgeons from all over India & SAARC group of Nations. Conducted a session on Bariatric Surgery.
- 'Gastric bypass –technical aspects' at 'Asia –Pacific Obesity Conclave' (APOC) at Delhi, Feb '2005.
- 'Gastric bypass –technical aspects' at OSSICON 2005- Mar' 2005 Pune,

- Live demonstration: Laparoscopic extra peritoneal hernia- repair, MIS-with-Prolene Hernia System (PHS), for ASI - Yavatmal chapter, June 2005.
- Invited as faculty to present Videos on 'Bariatric Surgeries and Advanced Laparoscopic surgeries' at Philippines Society of Surgeons conference, April 2006.
- Live demonstration of: PHS repair of Hernia at KASICON, Cochin, India, May 2006.
- A video Presented at IFSO congress 2006 held at Sydney, Australia in Aug. 2006.'Open VBG–conversion to Laparoscopic GBP. Tips and tricks.'
- Live demonstration of 'Prolene Hernia system Repair of inguinal hernia' in Asia–Pacific Hernia Society (APHS) annual conference in Delhi, Oct'2006.
- Faculty at AETF- Shanghai- 12 Jan' 2007-Video Presentation 'Lap Gastric Bypass- Technical aspects-Step by Step'.
- Faculty at Masicon-2007, Latur-Video Presentations on :-
 - Lap. Gastric Band,
 - Lap. Gastric Bypass,
 - Lap. Splenectomy for Isolated Spleen Injury,
 - PHS-Our experience,
 - Thoracoscopic Pericardiectomy.
- Amasicon 2007-Hyderabad, Invited as a Faculty in Bariatric Training program, Lecture on 'Sleeve gastrectomy'. * Live demonstration 'Laparoscopic Anterior Resection'.
- '5th International Obesity Surgery Expert meeting' at Alpine, Austria– March 2007' Invited as a faculty for –Video presentation 'Conversion of Open Mason VBG to Lap Gastric Bypass'.
- Invited as faculty to the OSSICON conference, Mar 2007, Chennai, India. Lecture on 'Gastric Bypass-Technical aspects' and also as a Chairperson.
- International Faculty at the Asia Pacific Obesity Conclave (APOC) – Malaysia, April 2007. Demonstrated Live- Laparoscopic Gastric Bypass.
- Invited as a Faculty for Presentation on 'Bariatric Surgery - Indian Scenario' at the ELSA- August. 2007, Hyderabad, India. Also demonstrated 'Laparoscopic Sleeve Gastrectomy'.

- Presented a paper 'Self adjusting SAGB. Is it feasible?' at the IFSO conference at Porto, Portugal, September, 2007. Also moderated a video session.
- Invited as Faculty at IAGES 2007 - Sep, Delhi to talk on 'Neuroendocrine Surgery'.
- Invited as a Faculty to the '1st International Laparoscopic Congress at Burik Merah, Perak, Malaysia, Nov 2007.
- Live Demonstration of 'Step by step Gastric Bypass' during Surgical Week in China, attended by 2000 surgeons on 20th Oct. 07.
- Invited as Faculty MEGA GPCON 2007, Dec, Pune, -Lecture 'Awareness of Metabolic & Obesity Surgery'.
- Invited as Faculty at ASICON 2007 - Dec, Bhuvaneshwar to talk on 'Neuroendocrine Surgery'.
- Demonstrated a 'Live Laparoscopic Gastric Bypass' at the Asia Pacific Obesity Conclave (APOC), Malaysia, April 2007.
- Demonstrated live Laparoscopic Gastric Bypass' & 'Laparoscopic sleeve gastrectomy' at Metasurg 2008 as a Organizing Chairman of Metasurg 2008, India.
- Invited by the 'Pune Diabetic Association' to talk on Metabolic Surgery for Obesity and Diabetes. 2008.
- Invited as Faculty to the 'Alpine Obesity Meet'-Austria, March 2008 – Lecture 'Indian experience on Surgery for Diabetes'.
- Invited as Faculty to 'Asia Pacific Obesity Conclave'- APOC 2008, Shangai, China
 - 'Starting Bariatric surgery Unit for new Entrants'
 - 'Application of Bariatric surgery for Reversal of Diabetes'
- Invited as Faculty to 'OSSICON 2008', in Kolkatta, for
 - Live Demonstration of Bariatric surgery.
 - Lecture on' Intra Abdominal Sepsis in Bariatric surgery
- Presented paper in 1st world congress on international therapies for type 2 diabetes held in New York on 15th and 16th Sept.08 in which data from Unit was presented.

- In World Congress of the International Federation for the Surgery of Obesity and metabolic disorders, on September 24-27, 2008, Argentina. Poster presentation on 'Obesity and human gut microbiome - is there any association?'
- Poster Presentation: SAGB 1st 100 cases: An Indian Experience: IFSO 2008, Argentina.
- Lecture on 'Surgical staged procedures to reduce risk' In OSSICON, held in Hyderabad. In April 2009.
- Invited as Faculty in ACMOMS, Trivendram, July 2008.
- Chapters written about bariatric and metabolic surgery in the following textbooks
 - Cardio-Metabolic Medicine-Emerging frontiers Chapter: Metabolic surgery for Diabetes and Morbid obesity GI Surgery Annual-Vol.15
 - Chapter: Bariatric Surgery: Indications, techniques and results
- Presented a first ever international broadcast by Cleveland Clinic, US on Metabolic Surgery for Type 2 Diabetes - Asian Context through video- conference On 1st Aug. 2008.
- Felicitation by IMA, Pune branch on 29th June 2008.
- Invited to talk on Surgical Management of Obesity at Obesity and Metabolic syndrome consensus summit held in Delhi on 15th Nov. 2008
- Invited as Faculty in IMA Sangli, Pune,
 - Lecture 'surgical treatment of Obesity'
- Invited as Faculty in ACMOMS, Trivendram, July 2008. Invited as Faculty in Cardiopulmonary symposia, Bhopal 2008,
 - Lecture on 'metabolic surgery for type 2 diabetes and morbid obesity'
- On 23 Jan 2009-presentation on 'Metabolic surgery for type 2diabetes' at FIAGES conference at Coonoor.
- Live demonstration of Adjustable gastric banding in AOCO 09, Mumbai.
- Invited as faculty in Annual congress of CCASMBS (American society of Metabolic and bariatric surgery), California chapter-Annual meet 2009. On 27th Feb. 09, In California, US. Presented on. *Indian Experience with T2DM after sleeve gastrectomy and early results using gastric bypass in T2DM. *The status and trends of bariatric surgery in Asia Pacific Region

- Invited as a faculty in ALPINE meeting 2009 held on 9th March 09 in Austria
Topic: Metabolic surgery for type 2 Diabetes: Indian Experience.
- Invited for the video presentation for International consensus summit on sleeve gastrectomy, ICSSG2, held on 20th March 2009, In Miami, Florida, US
Topic: Sleeve gastrectomy and Gastric Bypass in treating type 2 diabetes: Indian Experience
- Invited as a faculty to Bangladesh for a training workshop for bariatric surgeons in Bangladesh on 26th March 2009.
- On 7th June 09, in Kolkatta, a lecture given on 'Current Concepts in the management of Obesity and Metabolic syndrome'.
- Presented papers on following topics in plenary session of American Society of Metabolic and bariatric surgery in June 2009, in Dallas, USA
 1. Weight loss & evaluation of co-morbidities & quality of life following sleeve gastrectomy for morbid obesity with type 2 diabetes mellitus: results at more than 3 years
 2. Cardio-vascular risk reduction after GBP for Type 2 DM in patients with BMI < 35 KGS/M²
 3. Behavior of type 2 diabetes mellitus in obese Indian patients submitted to sleeve Gastrectomy
 4. Should gastric bypass operation be done for type 2 diabetes in subjects with a body mass index 20-34 kgs / m²? - an Indian experience
 5. Decreased small bowel transit time (SBTT) after sleeve gastrectomy: possible early ileal stimulation as an action for type 2 diabetes resolution
- On 11th July, a lecture given in the conference of surgeons from South zone, India on 'Metabolic surgery for type 2 diabetes'.
